EMMA WATSON

## Bloomin' LOVELY

Hollywood's hottest stars are in a flush over the look of the moment – rosy cheeks and baby pink lips.

**WHAT IT IS:** Punchy pink cheeks and lips, with lo-fi eyes.

**AS SEEN:** On Emma Watson, Dakota Fanning, Alexis Bledel and Miranda Cosgrove, and at the Kenzo, Marni, Badgley Mischka and Matthew Williamson A/W '09 fashion shows.

**WHO IT SUITS:** It looks best on fairer complexions, but darker skin tones can try it using deeper shades for more emphasis.

### HOW TO GET IT

**1** Apply a powder foundation like The Body Shop All-In-One Face Base, \$34.95, or Maybelline New York Dream Matte Mousse Foundation, \$21.45, for a matte finish.

**2** Work a pink blush into your cheekbones. If you're using cream blush, smile and apply it in mini-circular motions to the apples of your cheeks and up towards your hairline, then blend back down to soften the edges. Do the same with a brush if it's a powder blush, keeping the majority of the colour on the highest part of your cheekbones.

**3** Choose a light, pastel eyeshadow and apply it across your lids and up to the crease. Skip mascara if you're game and fully embrace your girly side!

**EYES:** 1 NP Set Eye Palette in Tokyo \$30

2 M.A.C Eyeshadow in Maira's Magic \$32

3 M.A.C Eyeshadow in Pink Ice \$2.95

**LIPS:** 4 Napoleon Perdis Luminous Lip Veil in Angelic Psychedelic \$25 5 M.A.C Lipstick in Vixen \$2.95 **CHEEKS:** 6 Australis Creme Colour for Cheeks and Lips in Flirtatious Pink \$9.50 7 Maybelline New York Dream Mousse Blush in Pink Frosting \$16.45
